DEBTORS MOTION TO WITHDRAW CHAPTER 7 CASE

I, Ashmeen Modikhan, submit this motion to withdraw from Chapter 7 protection due to a Chronic illness, Stress, Anxiety, and Abuse. I have being financially **Raped** by this judicial system. I have been held down and stripped by my attorneys, all while bankruptcy court has given the nod of approval. Continuing in bankruptcy will deprive me of my sanity. I must escape, before I deprive my family of my existence. It is with all due respect that the treatment for which I have endured from both sides of the isle. My attorneys. The courts trustee, and the judges whom I feel are bias. It is my firm belief that I once felt protected. I feel it has become evident I have suffered more in this judicial court system than fighting on my own to achieve some measure of justice. I thank the court for the short time and comfort given me. I am making this motion because my belief in the legal system has become unbearably bias as it relates to my case. I have been stripped and robbed by the judicial system because of my identity, my integrity has been challenge and this court has been trying to strip me of my dignity and the ability Protect **My Family and myself.**
